

August 24, 2020

Hello everyone,

This letter is to inform everyone that we will be re-opening Church on Sunday September 6, 2020. There will still be only one service starting at 9:55.

We ask that you wear a mask when you arrive and leave. Please follow the guidelines for social distancing. The “blue tape” will be gone but we ask that you sit apart as much as possible unless you are a family or came as a group.

There will be no Hymnals, Bibles, etc. in the pews. You may bring your own Bible; just remember to take it home with you. We will not be coming together across the aisles, no handshakes or hugs for the near future. The drinking fountain and the candy machine are off limits. We will not have coffee or snacks for a while yet. **WE WILL** have bulletins.

The offering plates will still be in the back of the church for use on your way in or out. Hand sanitizer will also be available. We ask that you stand at your seat to announce celebrations but celebration offerings should be dropped in the “little church” by the offerings plates. We still WILL NOT be collecting food for Benny’s House.

There **WILL BE** Sunday school, Bible studies, and meetings allowed with a few guidelines to follow. Meetings will take place in the basement of the Admin Building. Jerry’s class will be in the basement for now. We ask that any group using these areas to please wipe down the tables and chairs with the cleaning wipes provided. You are still not allowed to use the products from the cupboards. The location for Jane’s class is still to be determined.

If you have a fever, headache, cough, etc. please stay home. We ask that you consider the people in our congregation that are at risk, and that includes a lot of us. The church service will be recorded and put on Facebook/YouTube/website for those who are not comfortable coming to church with other people yet.

The Peace and Grace of Christ,

PASTOR EDWIN SNOOK
